v 36 11

OFFICE OF STRATEGIC SERVICES  
MISSION TO GERMANY  
United States Forces  
European Theater

1 October 1945

TO : AB/12, 3rd Army  
INFO : OPERATIONS, I-2 Branch  
FROM : AB/17, ANZON AB/17  
SUBJECT : Substantial Vetting of Kuno WIRSICH

1. Reference is made to our Summary of Preliminary Vetting of Kuno WIRSICH of 29 August 1945.

2. Since 29 August we have received the following information on Kuno WIRSICH. London reports that it has no trace of WIRSICH in its files. However, SAINT London is trying to locate Evelyn ROBERTSON and is waiting for British traces on her and her colleagues who fled to England. Berlin has continued to interrogate the references cited there but no new information has developed beyond that in the cable attached to our Summary of Preliminary Vetting. SAINT Berlin expresses the belief that WIRSICH's story is fairly well confirmed by these references.

3. We should be able to complete the vetting on this case when we receive the British traces.
